DEDICATION

Any measure of a "good teacher" should include his ability to relate to his students. This ability to communicate through words and actions, involving students totally in the learning process, is a skill possessed only by a few. To do this, a teacher must have a feeling for his students and be rewarded by a reciprocation of that feeling. Through his contacts with students both in and out of class, he has been able to develop a meaningful relationship with his students while earning their admiration and respect as a teacher in Psychology for Living senior classes. We, the Class of 1971, dedicate our FASTI to

Change for Better Understanding

Under the direction of ASB Vice President Craig Anderson, the first semester Class Communication Council came into effect. In the years before, this body had been known as Legislative Council. But this year it was decided by Student Council, the Legislative Council and a vote by the student body to change the name to Class Communication Council. The Council undertook such problems as better food in the cafeteria, an open campus and pay phones outside school buildings. The first semester Council successfully kicked off the new name by having a hundred percent better communication between the students and Student Council.

Studies Survey for Open Campus

Second semester Communication Council, under the direction of Larry Allen, initiated a smoking survey. This survey was done in order to further the study for an open campus. Along with the survey, the Communication Council organized student forums where students could air their opinions about controversial subjects. The Communication Council also fully investigated having a phone on campus and helped form the new food service committee.

Active Year for Bandsmen

Chaffey High School's Marching Tiger Band and Tigerettes had a busy schedule this year. Besides participating in five halftime shows and the Tournament of Bands, they marched in the first "Ontario 500" parade and at the Los Angeles County Fair. The band and drill team had the experience of marching in the Hollywood Santa Claus Lane Parade and appearing on television.

Runner-up Tigers Compile Fine Grid Season

Chaffey's most successful football team since 1964 compiled a 7-2 overall mark and barely missed a CIF playoff bid. The open berths were awarded to Bishop Amat and Lakewood, the eventual CIF AAAA champion and runner-up. The Tigers finished second in the Citrus Belt League, 6-1, losing only to league champion Redlands, 50-28, and Sunset League Champion Anaheim, 25-8, in non-league play.

1970 was highlighted by outstanding offensive and defensive performances. Steve Watson led the Tigers in rushing with a total of 901 yards in 145 carries. Receivers Larry Allen and Brad Kramer tied for the lead in passes caught with 24 each, Allen gaining 328 yards and Kramer 418 besides totaling 56 points as top scorer. Quarterback Jim Hemingway completed 75 out of 140 passes for a .52 percentage, 1,077 yards, 18 TD's and 1,058 yards total offense. Kicking specialist Ron Napier kicked a total of 30 extra points, 27 consecutively to wind up as No. 3 in the CIF record book. Defensive standouts like Mike Powell, Burt Price, Jim Hoover, Ted Bailey, Dan Jimenez, Nick Leyva Steve Page, Bruce Page, Dana Lanier, Mark Bennett, Kramer and Allen set a school record of 16 consecutive scoreless quarters and three shutouts.

After its opening-game loss to Anaheim, Chaffey then reeled off six straight victories. It started with an unbelievably wild 19-13 victory over Santa Monica in which two fumble recoveries by Roy Vanderkallen inside the Tigers' 10 in the last 77 seconds, preserved the win. Chaffey then defensed Ramona en route to a 20-3 triumph, allowing but just 35 yards passing and -22 yards rushing in the second half. The Tigers then exploded for a 55-0 tromping of Pacific, shutout Fontana 15-0 and demolished Riverside Poly 42-0. In the tuneup game for the Redlands showdown, Chaffey ripped Eisenhower 42-6. An overflow crowd of 8,500 filled Graber Field for the CBL "Titanic" between the Tigers and the Terriers. After an exciting 14-14 first quarter, Redlands took a 22-14 halftime lead on a 30-yard touchdown pass that originated with one-second left. Redlands then ripped Chaffey's defense for four second-half TD's as the Tigers managed just two in the 50-28 decision. Chaffey closed with a 43-9 tromping of San Gorgonio and hopes for a playoff spot that did not materialize.

Overall, the Tigers posted six shutouts, and in the highlight of the season, tied a strong Redlands team, 14-14. As the gun sounded, Chaffey, behind 14-6, scored on a pass from Greg Baughman to Dan Linck. Dan Palko then scored on a two-point conversion to garner the tie. Other key players during the season were Joe Dietrick, who tallied 8 TD's, Joe McKellar, Eddie Edmonson, Roy VanderKallen, Larry Herrera, Wayne Wink, Darrell Irvin, Robert Stark and Rich Presto.

The "B" team finished with an overall record of four victories and five defeats. The league record stood at four wins and three defeats with the highlight of the season coming in the last game in a tough come-from-behind victory over San Gorgonio. Rallying from an early 0-12 deficit the team spurted for 20 points and a hard earned 20-18 victory. Outstanding offensive players were J. C. Barb, Jay Morrison, Dennis McCloskey, Mike Carew, and Dana Ostrom. Outstanding defensive players were Bill Mayfield, Mike Carew, Jay Morrison, Dana Ostrom, and Dan Ashton.

Chaffey Finishes Third in Disappointing Year

Chaffey finished a disappointing third in the Citrus Belt League with a 9-5 won-loss record behind Ramona, 13-1, and Riverside Poly, 11-3. The Tigers boasted the tallest front line in the league's history with 6-7¾ All-CBL Bob Kunysz, 6-9 Steve Young and 6-5 Larry Allen, but were unable to put forth a unified effort and had to settle for consolation. In the CBL opener, the Tigers lost to Ramona 54-46. Leading the Tigers were John Antoni, 12 points, Bob King, 11, and Kunysz 10. Chaffey led at the half, 26-24, but was completely dominated in the second half. Chaffey then won four straight games over Pacific Fontana, Eisenhower and Riverside Poly, the latter one of the Tigers' best games. Against the Bears, Kunysz displayed his All-CBL skill by threading the hoop for 19 points. At this point in the season, the Tigers were in sole possession of second place. But the excitement was short-lived. The Tigers lost three of their next four to fall in a tie for fourth. Chaffey, still in contention for a possible CIF berth for second place, emerged victorious in their two following games—67-61 over Fontana and a 73-55 bruiser over Eisenhower, in which 50 infractions were whistled against both teams. Then in their last chance to gain a CIF playoff spot, the Tigers were toppled by Riverside Poly, 62- 52, in a game that saw them shoot 20% from the field in the half and 31% from the free throw line. Chaffey then ended the season by posting two victories in their final games, 74-67 against Redlands in the Homecoming game and 84-74 against San Gorgonio to finish solidly in third place. King and Kunysz both finished the season by gaining All Citrus-Belt League team berths while Allen and Antoni received honorable mentions.

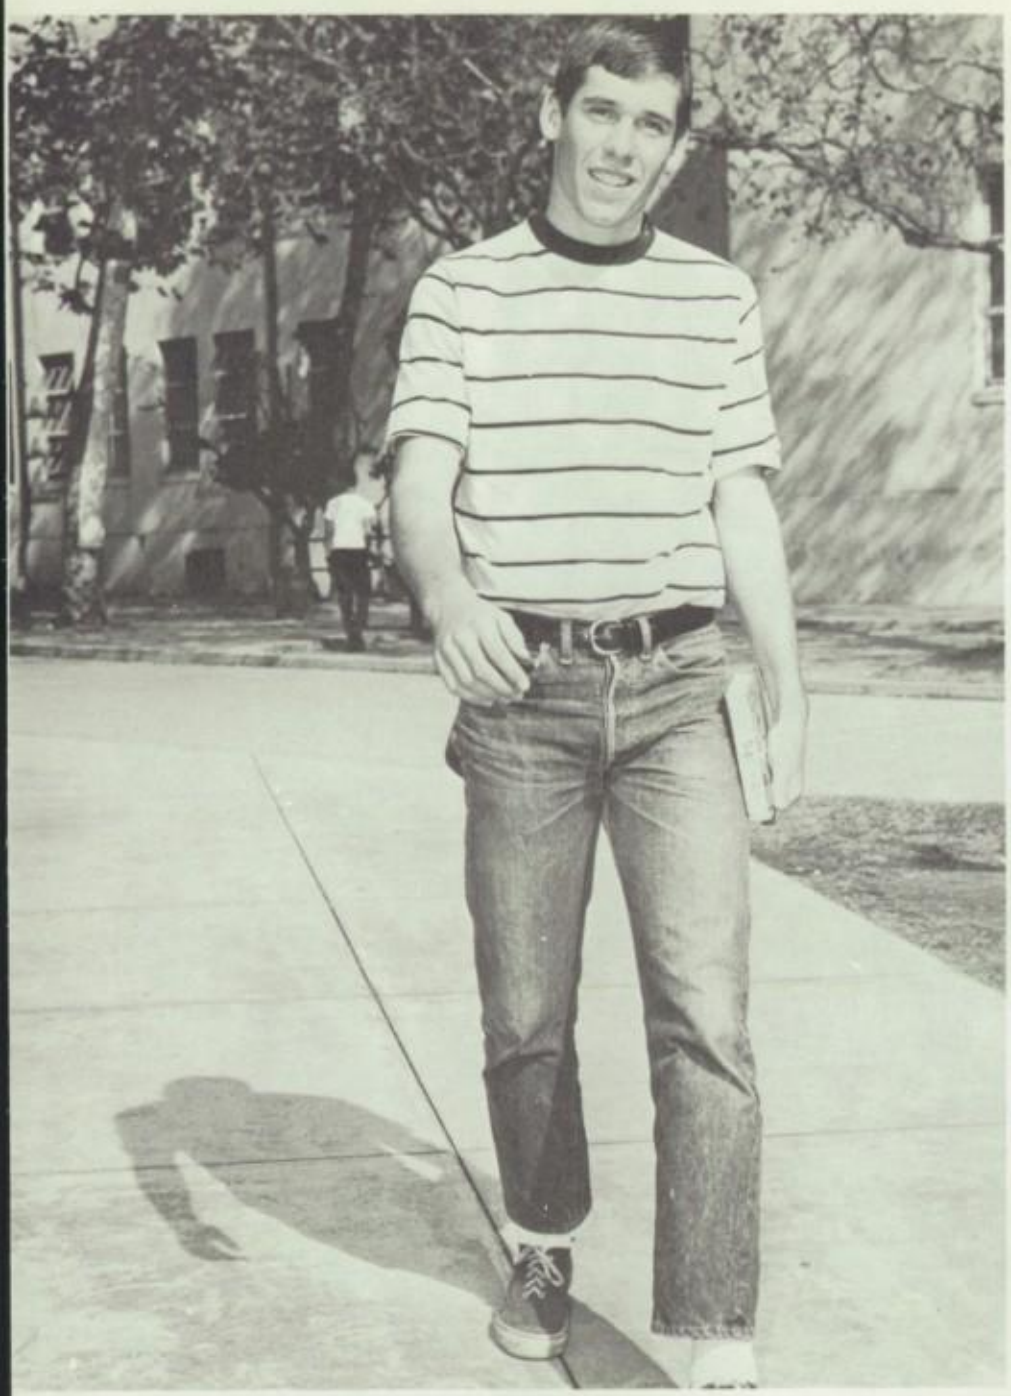
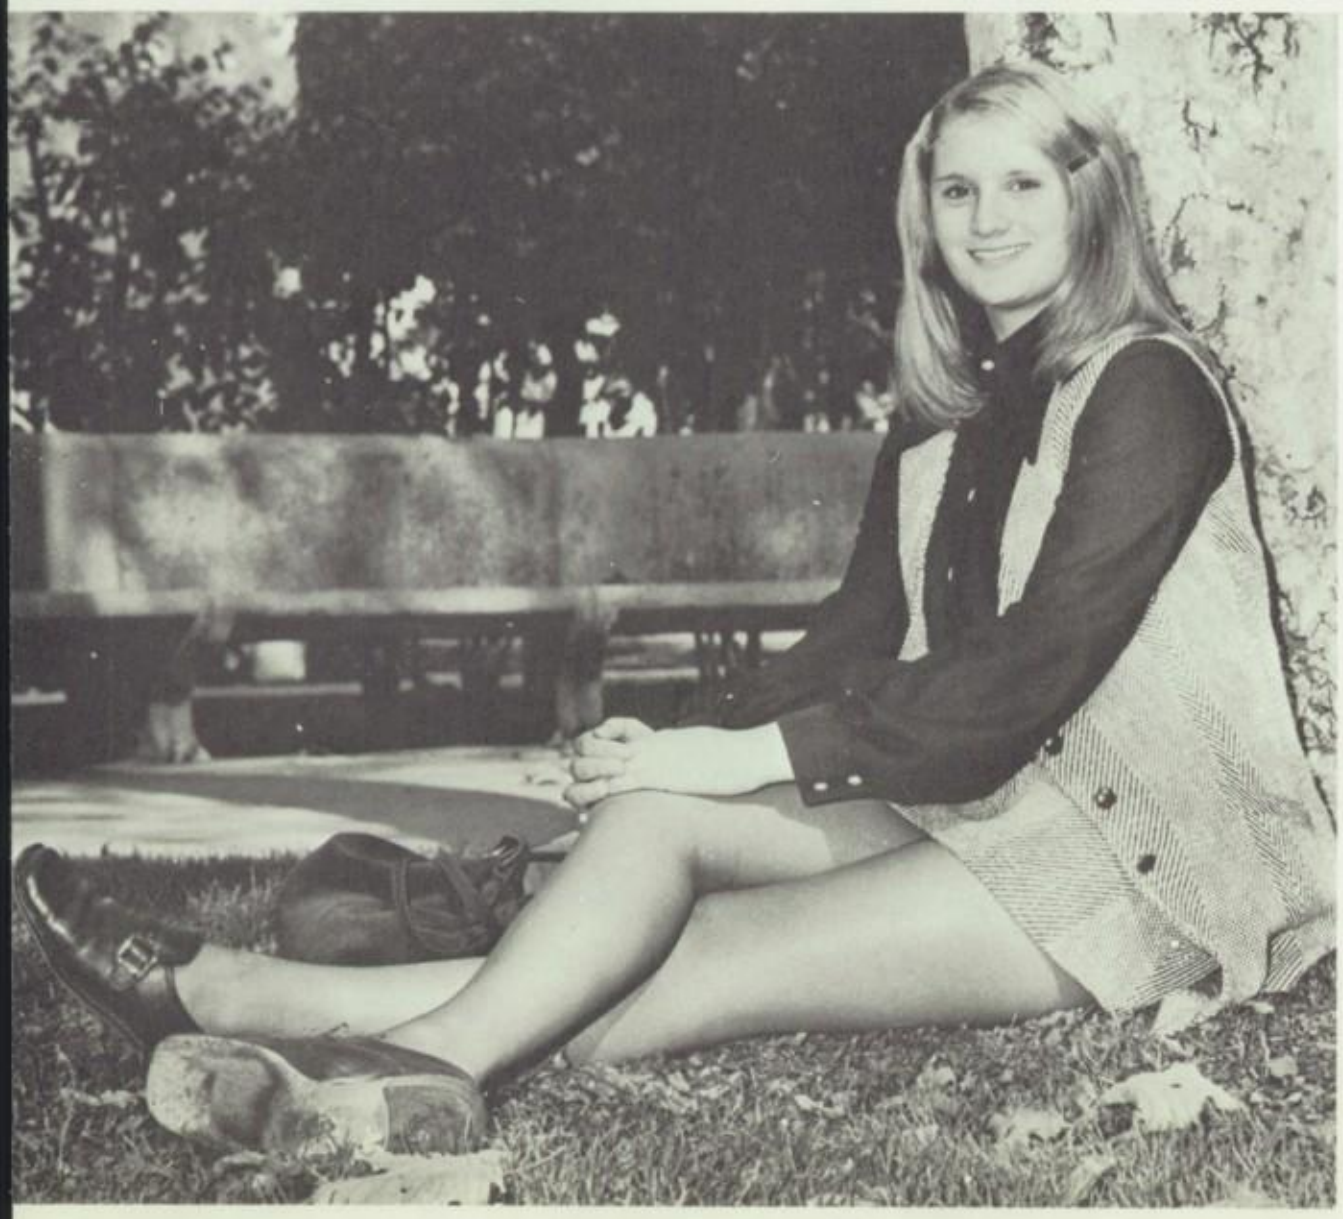
Chaffey Represented at '70 State Sessions



Mike Gatlin

Jim Hein



Angela Antonelli

Three Chaffey students, Angela Antonelli, Jim Hein, and Mike Gatlin participated in Girls' and Boys' State Sessions in Sacramento last summer. The participants, selected by American Legion, were involved in imaginary cities, political rallies and elections. This was a great learning experience for these three and other students from California.
